

Terms of Use for Characters Created In-Game

Effective Date: January 14, 2025

Last Updated: June 26, 2026

The following terms apply to the handling of characters created using the "Character Creation" feature in "Fantasy World: The Demon Lord's Truth".

1. Guidelines for Posting Created Characters

If you draw and post illustrations of your created characters on social media (e.g., X), please include the following credit.

Credit Example: This character is based on a character created using the character creation feature in the RPG Maker MZ game 'Fantasy World.'

2. Content Restrictions

Please refrain from generating content that significantly damages the world-building of the game.

3. Copyright and Disclaimers

The terms regarding copyright and disclaimers outlined in the "Game Overview" section also apply to all content generated using this feature.
