This game is a work of fiction. It has no relation to any real-life persons, groups, or events. There is no intention to promote criminal acts or violence.

■ Game Execution

All game assets are encrypted to prevent data modification, unauthorized reproduction, reuse, or secondary distribution. We ask for your understanding and cooperation in preventing data theft.

■ Strategy Guides

We plan to provide strategy information on our website if there is demand. Creating your own strategy sites is also welcome.

■ Streaming Guidelines & Terms of Use

You're welcome to create gameplay videos, livestreams, and other content featuring our game. We encourage sharing your experiences with the community, provided that you follow the guidelines below.

■ Terms of Use

- 1. Any use that violates public order and morals is prohibited.**
- 2. Unauthorized commercial use of this software is prohibited.**
 - Exceptions: Posting gameplay to streaming platforms with monetization features (e.g., YouTube, Twitch) and cases where we have officially requested content creation are permitted.**

■ Notes for Streamers

- 1. Please include the game title in your video or stream title.**
- 2. Please refrain from content involving slander or content that significantly damages the game's world-building. We may request the removal of such content if deemed necessary.**
- 3. We would appreciate it if you could include the link to the sales page in your video description.**
